Bulletin Secretary 2011—2012

Matthew 2:13 — And when they were departed, behold, the angel of the Lord appeareth to Joseph in a dream, saying, “Arise, and take the young child and his mother, and flee into Egypt, and be thou there until I bring thee word: for Herod will seek the young child to destroy him.”

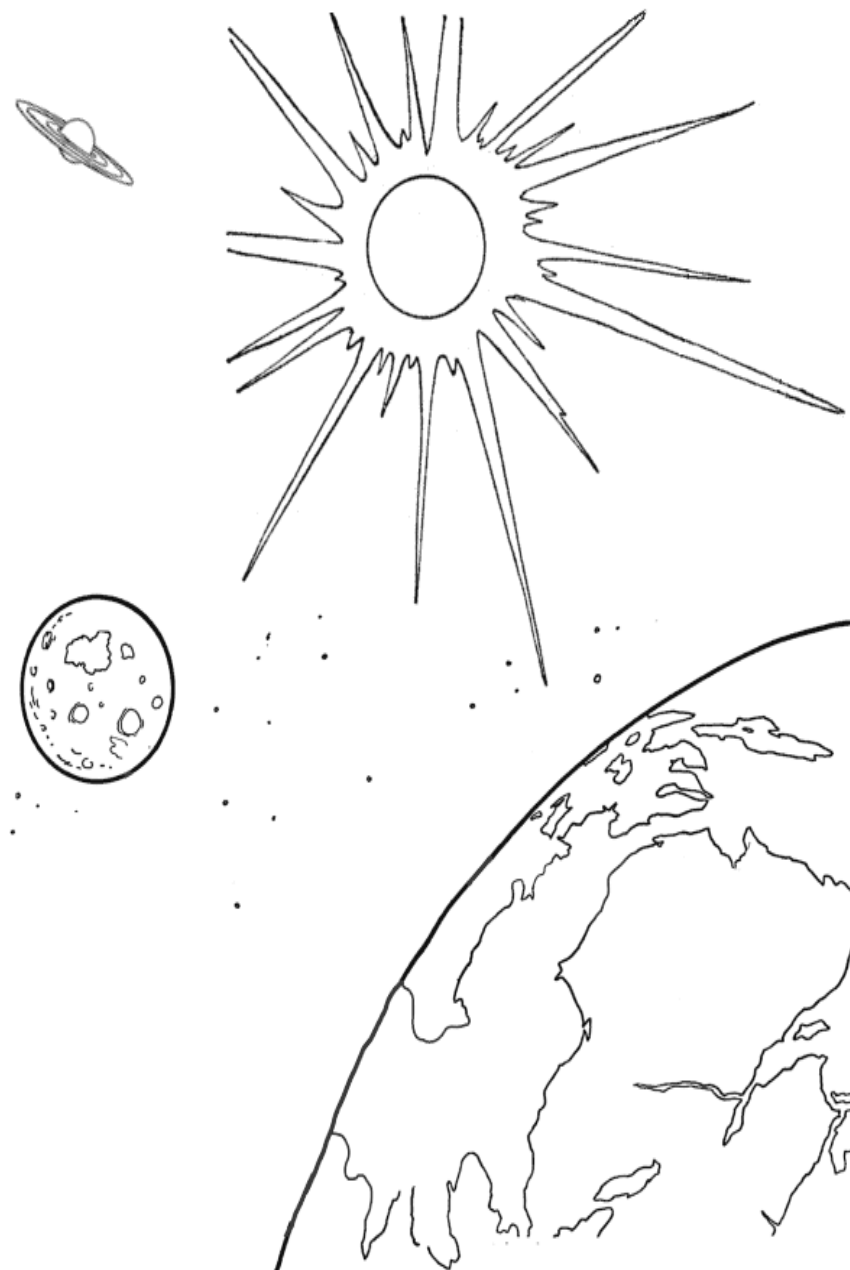

Showing Love

Love is more than just words. Love means sharing,
and being kind to everyone around us.
“Love your neighbor as yourself” Galatians 5:14.

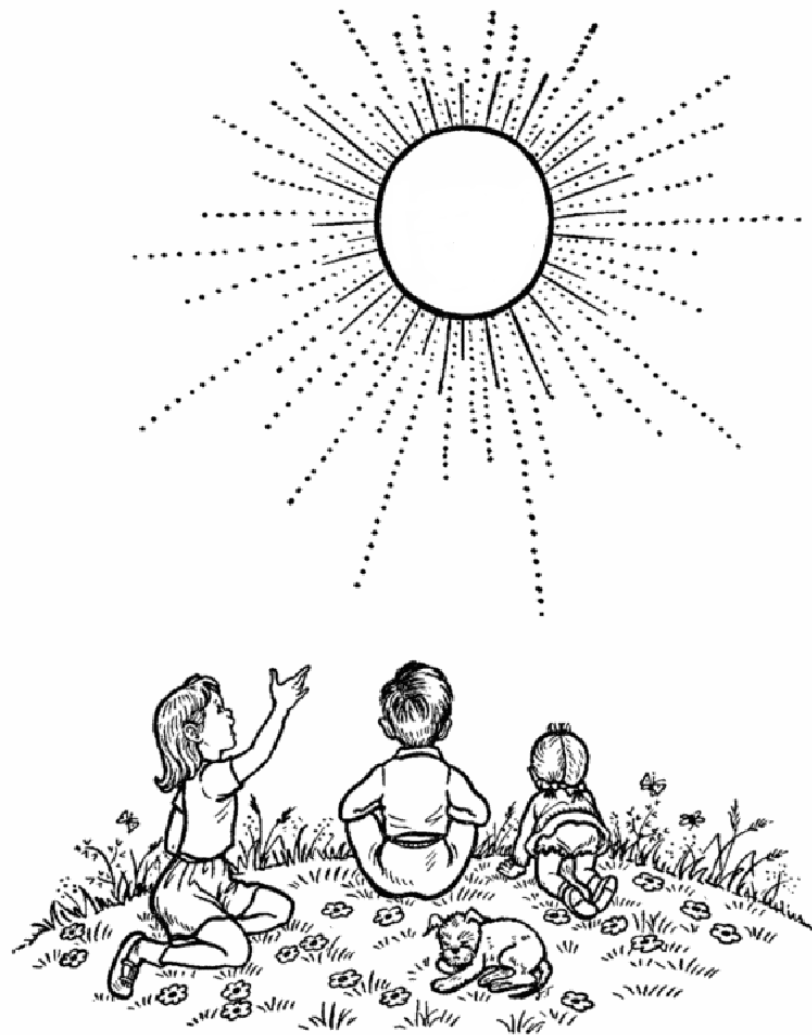

John the Baptist and Jesus

"After being baptized, Jesus came up immediately from the water; and behold, the heavens were opened, and he saw the Spirit of God descending as a dove and lighting on Him, and behold, a voice out of the heavens said, 'This is My beloved Son, in whom I am well-pleased.'" — Matthew 3:16-17

On the 7th day God finished his work which he had done, and he rested...
So God blessed the 7th day and hallowed it...

God made the sun. It gives us light.

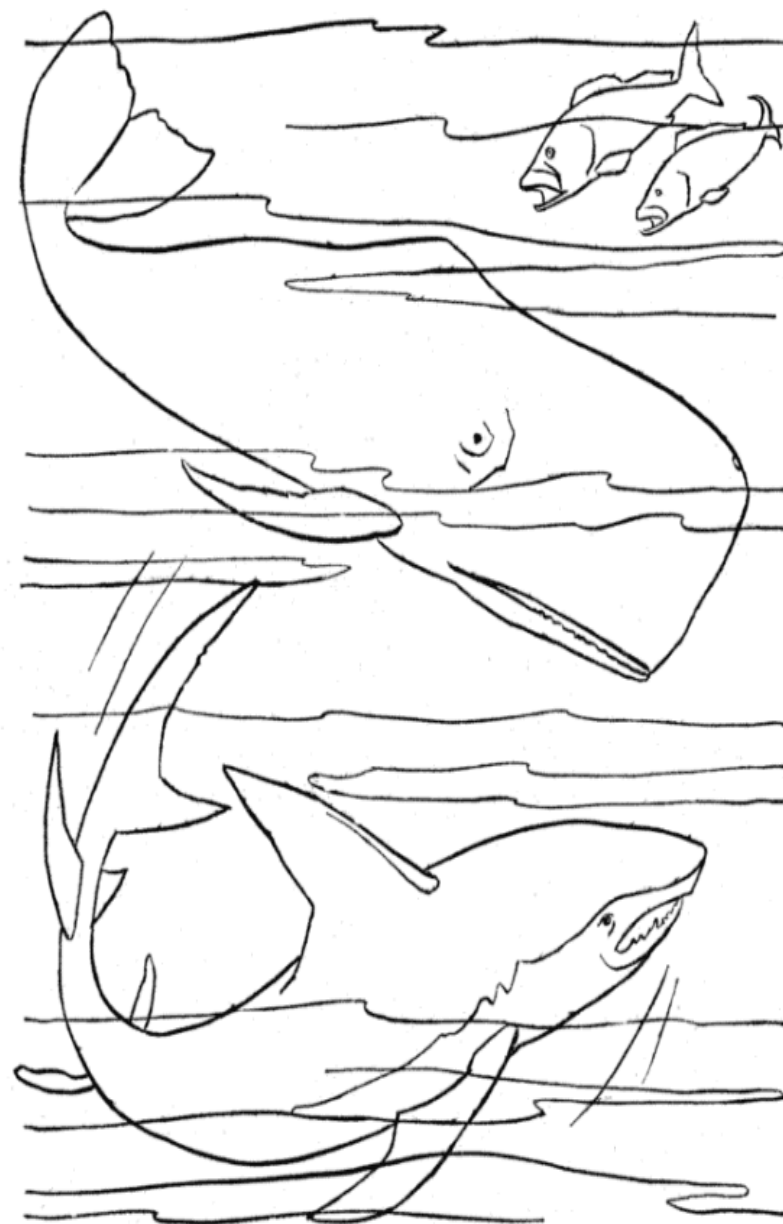

The Parrot

God gave parrots like these macaws a big, thick beak that can crack the hardest nut. The parrot is the only bird in the world that can use its foot like a hand to bring food up to its mouth.

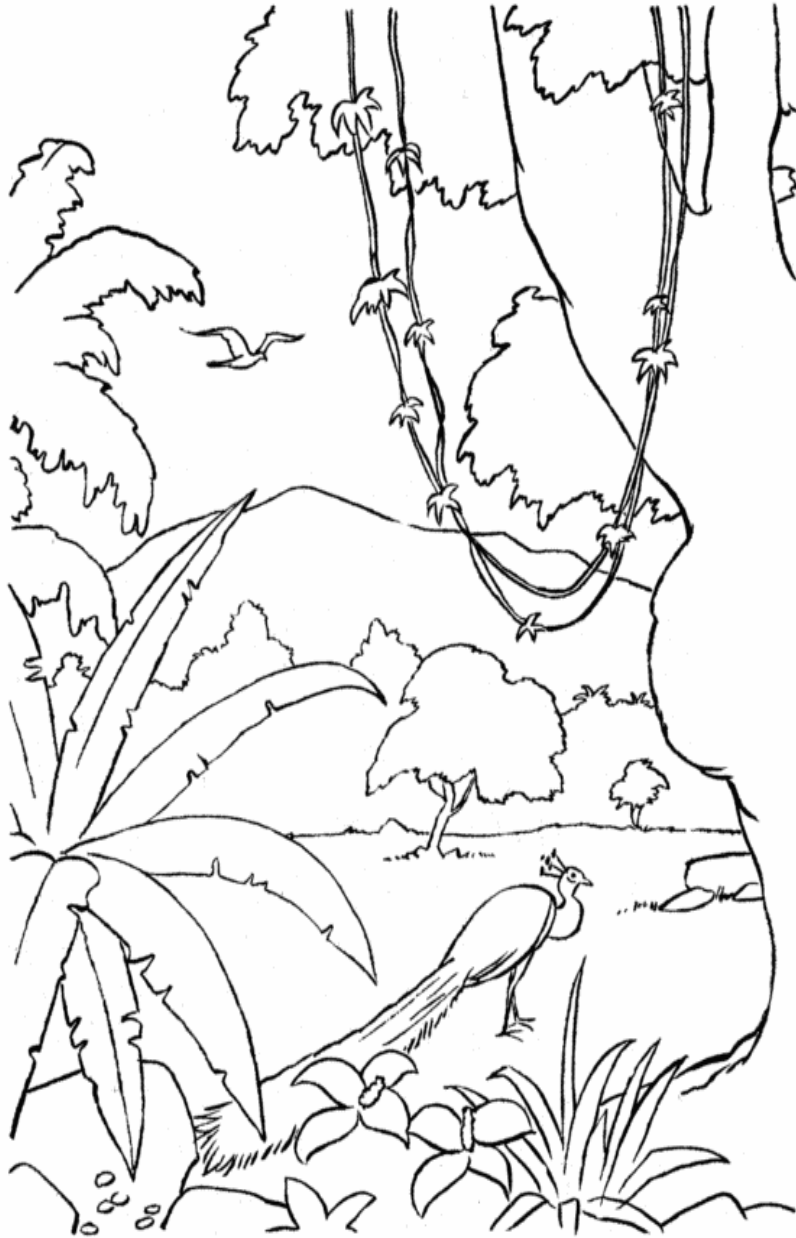

A New Earth

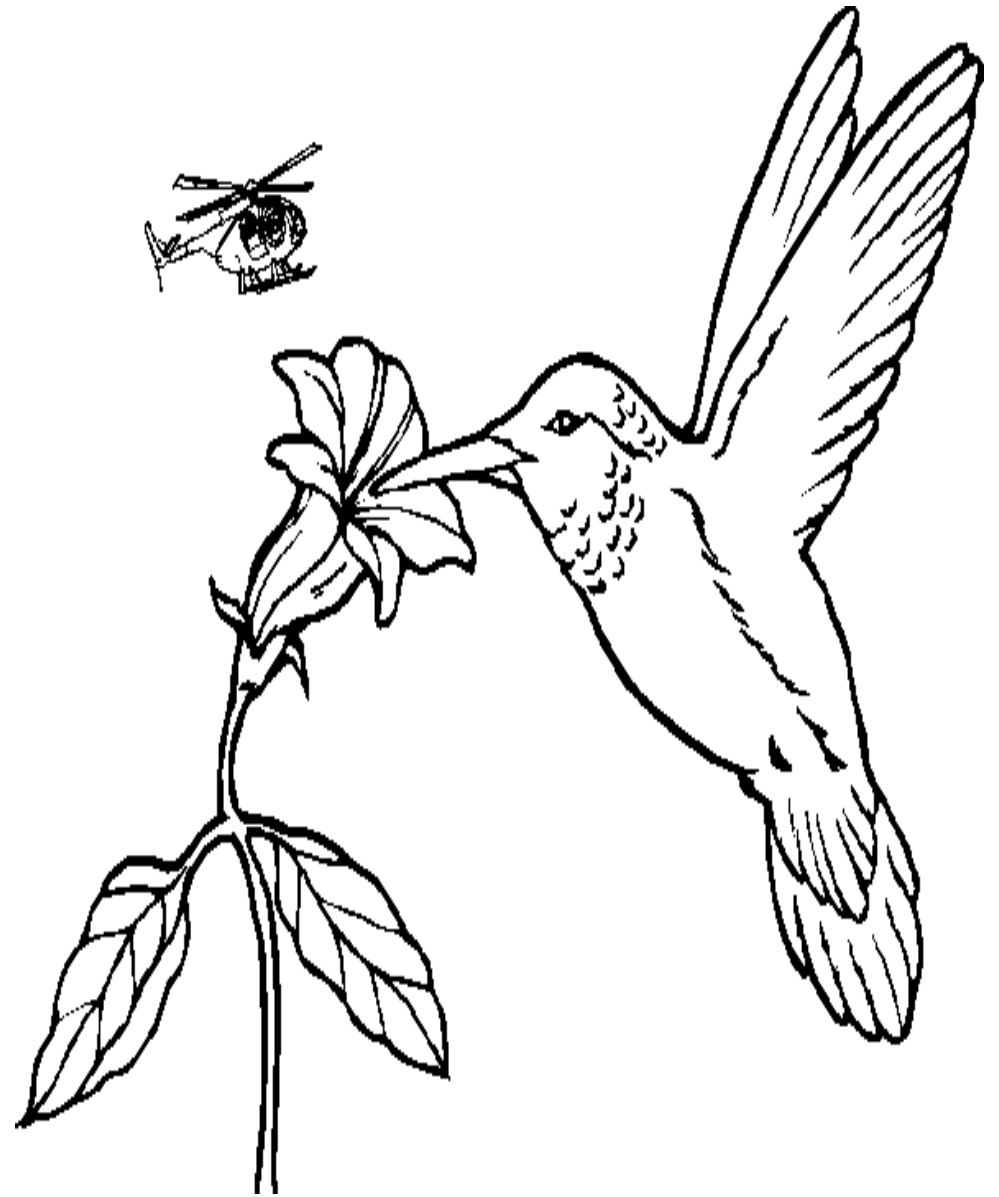

God has promised to one day restore the earth to the perfect, beautiful place it once was... And the animals will be as harmless and perfect as when they were first created.

God created the great whales.

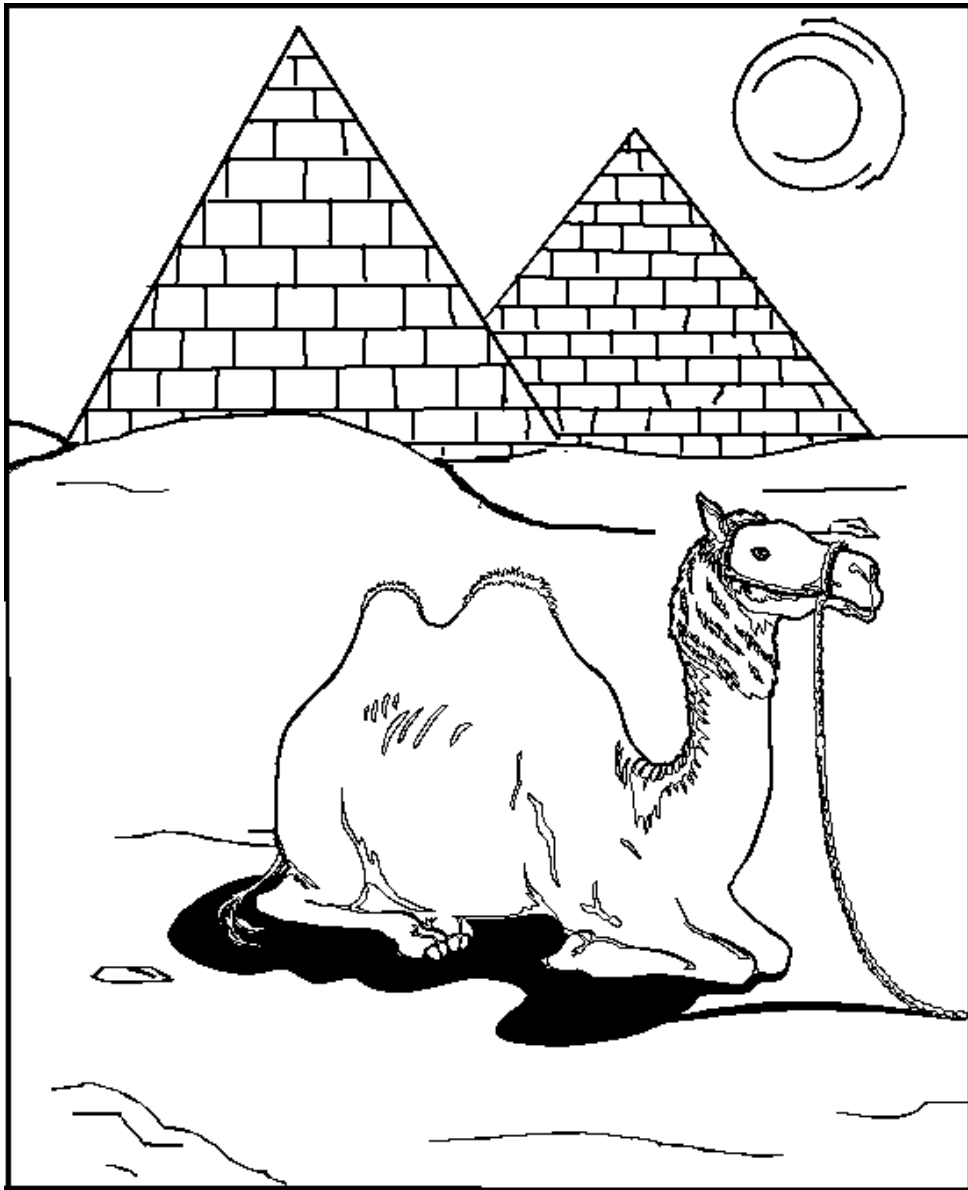

The Earth brought forth living creatures.

The Hummingbird: God's Perfect Little Helicopter

The Hummingbird is the only perfect helicopter. It can fly in any direction: forward, sideways, up, down, and even backwards!

The Camel

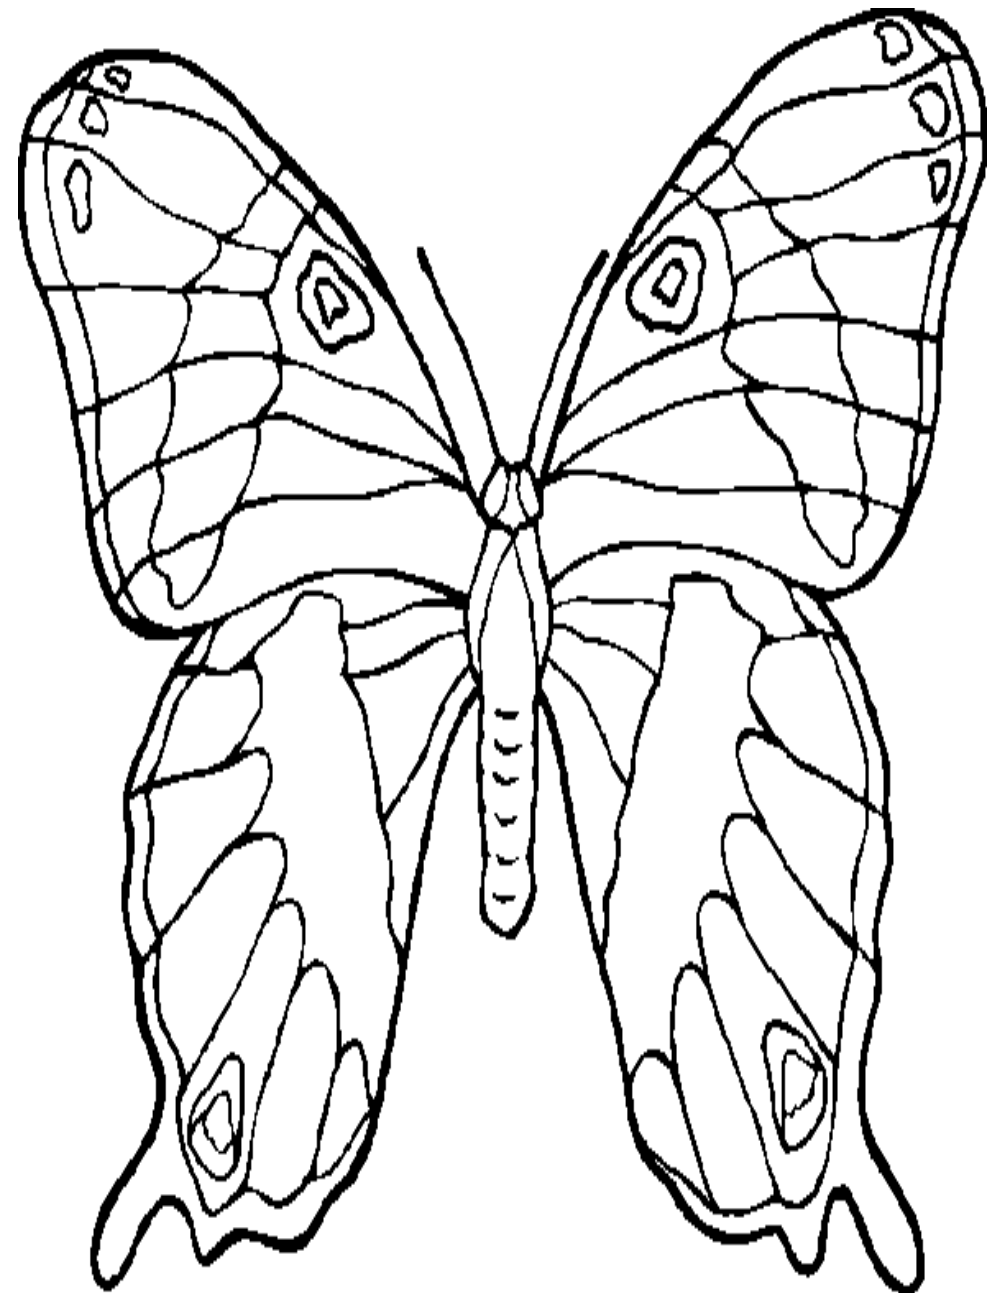

God designed camels perfectly for survival in harsh climates. They have special pads on their feet, so they don't burn, and a nose that closes to keep sand out. They also have large humps, to store fat to make water.

God created man in His own image.

The winged fowl, too, He created.

God created the delicate butterfly and made them so beautiful.
He painted them like the rainbow.
