

## NOTES

1. **THE** Woman's Christian Temperance Union says again: "The Woman's Christian Temperance Union, local, state, national; and world-wide, has one vital organic thought, one all-absorbing purpose, one undying enthusiasm, and that is, that Christ shall be this world's king—yea, verily, this world's, king in its realm of cause and effect,—king of its courts, its camps, its commerce,—king of its customs and constitutions. . . The kingdom of Christ must enter the realm of law through the gateway of politics. . . . We pray heaven to give them (the old political parties) no rest . . . until they shall swear an oath of allegiance to Christ in politics, and march in one great army up to the polls to worship God."—**President's Annual Address, Nashville Convention, 1887.**

Such utterances as the above, together with the National Reform Association, the "Christian Citizenship" movement, and other indications in the religious world, show that we are on the eve of a man-made theocracy as verily as was Rome in the fourth century. See "**Rights of the People,**" pp. 228-237.

2. **SAYS** the Chicago Advance, Congregationalist, of August 2, 1894: "The sabbath [Sunday] serves the same purpose to-day as did the forbidden fruit in the Garden of Eden. . . That man is an anarchist at heart who deliberately flaunts at the sacredness of the sabbath [Sunday], or sneers at any other distinct revelation of the law of God."

Archbishop John Ireland, at the Centennial of Columbus, O., Sept. 10, 1888, reported in the American Catholic. News of September 19, says: "It is the intemperate class that violate our Sunday laws, and the violator of a Sunday law is the worst of criminals."

These and many other utterances show that when sufficient legislation is obtained, the Sunday will be made a test of citizenship and loyalty.

3. **THESE** confederacies and organizations to meet existing and multiplying evils are constantly increasing; and it is safe to say that there are but few of any note that have not been solicited in some way to indorse Sunday laws. They are building "gates of God," which will prove gates of confusion.
